<EURO/SYS'18>

Welcome to EuroSys 2018!

We are delighted to receive you in Porto!

USEFUL INFORMATION

How to get to the conference venue, Palácio do Freixo

The full address of the venue is Pestana Palácio do Freixo, EN 108-206, 4300-316 Porto.

Once in the city, by bus you need to take number **400**. It starts in the city center, in Aliados, and gets to Freixo stop in about 15 minutes. Then it is a two minutes walk to the conference venue. You can find information about Porto's bus and metro tickets here.

You can always choose to take a Cabify or an Uber (yes, there are taxis too). Cabify teamed up with Eurosys 2018 to provide **15% discount** for all rides to and from the conference venue. Moreover, if it is your first time using Cabify, you will have also **€6 credit on your first trip** using code **CABIFYPORTO** in the mobile app.

From the airport, you need first to get to downtown Porto. Besides individual trasnportation options you can take the metro directly to **Trindade** station, a 50 minutes ride. Then walk to Aliados and take the aforementioned bus.

Weather forecast

We will have an awesome weather for the whole conference duration. Nope… It will not be that great but will not be bad either. The temperature during the day will be around **22C/71F** and the chance of rain will decrease exponentially during the week. ☺

Top 10 to visit in Porto

- **HISTORIC CENTRE OF PORTO**

Listed as a World Heritage Site since 1996, the historic centre of Porto has a monumental, social and landscape richness.

- **STOCK EXCHANGE PALACE**

National Monument located in the historic city centre, in which stands out the famous Arab Hall and the Nations' Courtyard. This will be the venue for our Conference Dinner.

- **PORT WINE**

Port Wine is present all over this city: Port and Douro Wines Institute, Port Wine Museum, wine shops, gourmet shops or in the wine cellars.

- **LELLO BOOKSHOP**

Considered by "The Guardian" as the third most beautiful bookshop in the world. Its iconic staircases served as inspiration for the work of J. K. Rowling in the "Harry Potter" series.

- **CLÉRIGOS TOWER**

The panoramic view over the city and the Douro river that this tower has to offer makes the climbing of 240-steps staircase worth the effort.

- **CASA DA MÚSICA**

Building designed by Rem Koolhaas, it has become an icon of contemporary architecture, attracting visitors from all over the world.

<EURO/SYS'18>

- **SERRALVES FOUNDATION**

The Foundation is made up of the Museum of Contemporary Art (designed by Siza Vieira), the Villa and the Park.

- **DOWNTOWN – BAIXA**

It's the heart of Porto: shops, restaurants, cafes, art galleries and emblematic places such as the São Bento Train Station and Café Majestic. It's now home to urban markets, regular craft fairs and an ever-growing nightlife scene.

- **FC PORTO MUSEUM**

Located in Estádio do Dragão, the museum impresses with its collection of trophies and the technologically advanced and interactive exhibition.

- **FOZ**

Located in the western part of the city, this area stands out for its maritime fortresses, Sea Life Porto, the Pergola's viewpoint and the City Park.
